END-OF-PRODUCTION END-OF-SALE END-OF-LIFE PRODUCT ANNOUNCEMENT

Product: ECX-205 and ECX-206/SMD 32.768 KHz Tuning Fork

Attention: To whom it may concern;

From: Mike Huennekens, Director of Marketing and OEM Sales

Subject: ECX-205 and ECX-206 End of Production/End of Sale/End of Life/Discontinuance Announcement

ECS Inc. announces the E-of-P, E-of-S and E-of-L of the ECX-205 and ECX-206 SMD 32.768 KHz Tuning Fork Crystal

There will not be a fit and form replacement product for this product. There are other SMD 32.768 KHz product solutions to choose from for you and your customers applications.

Customers will continue to receive support from the ECS Inc. Technical Team until December 31, 2006 which would include routine failure analysis requests.

Last Time to Buy Conditions:

- Last time to Buy orders will be accepted until **all product noted below has been exhausted.**
- If any product is in short supply, ECS, Inc. may allocate the available product among its customers as ECS, Inc. deems equitable.
- ECS, Inc. will not accept returns of this product for credit or replacement under any circumstances.

Residual inventory as of August 15, 2006:

ECX-205-6-TR (Part number is ECS-.327-6-11)	87 units
ECX-205-TR (Part number is ECS-.327-12.5-11)	132 units
ECX-205X-TR (Part number is ECS-.327-12.5-11X/RoHS Compliant)	3395 units
ECX-206-TR (Part number is ECS-.327-12.5-6)	2032 units

You are highly encouraged to notify your customer base of this announcement should you be a reseller of this product so that they may plan a strategy accordingly.

Please direct your inquires to Mike Huennekens at mikeh@ecsxtal.com or Carla Williams at carlaw@ecsxtal.com should you have further questions.

Respectfully

Michael Huennekens/Director of Marketing and OEM Sales
