## **END-OF PRODUCTION      END-OF-SALE      END-OF-LIFE PRODUCT ANNOUNCEMENT**

**Product: SMD Ceramic Resonator/ECS-CR-1 (A) and (B)**

**Attention: To Whom It May Concern;**

**From:** Mike Huennekens, Director of Marketing and OEM Sales

**Subject:** ECS-CR1-1 (A) and (B) {4.7mm x 4.1mm x 1.6mm} Ceramic Resonators

### **ECS Inc. announces the E-of P, E-of-S and E-of-L of the ECS-CR-1 (A) and (B) series of SMD Ceramic Resonators**

There will not be a fit and form replacement product for this item. There are other SMD ceramic resonator solutions to choose from for you and your customers applications.

**The last day to order this product will be October 1, 2006.** Customers will continue to receive support from the ECS Inc. Technical Team until December 31, 2006 which would include an routine analysis requests.

### **Last Time to Buy Conditions:**

- Last time to Buy orders will be accepted **on or before October 1, 2006.**
- Shipments for all orders will cease after all open orders have been completed.
- Most existing and all new orders will have lead-times that may exceed 8 weeks and will be based upon raw material availability.
- ECS, Inc. will make all reasonable efforts to meet Last Time to Buy demands.
- If any product is in short supply, ECS, Inc. may allocate the available product supply among its customers as ECS, Inc. deems equitable.
- ECS, Inc. will not accept returns of this product for credit or replacement under any circumstances.
- ECS will not accept orders from the date of this notice where the application may be considered life support, life sustaining or any form of automotive application.

You are highly encouraged to notify your customer base of this announcement so that they may plan a strategy accordingly.

Please direct your inquires to Mike Huennekens at [mikeh@ecsxtal.com](mailto:mikeh@ecsxtal.com) or Carla Williams at [carlaw@ecsxtal.com](mailto:carlaw@ecsxtal.com) should you have further questions.

Respectfully

Michael Huennekens/Director of Marketing and OEM Sales
